

# Writer's Workshop

AMAZING THINGS ARE HAPPENING...

## A FEW MAIN POINTS

- Students write every day
- Mini lessons always happen at the meeting area & are 10 – 15 minutes in length
- Independence & thinking are key
- Think of the conference as precious time between you and the student with whom you are conferring

# THE CONFERENCE

- “You are doing a great job, keep up the good work.”
- “Can I tell you what I love about your story?”
  - “You put feelings into your writing, and that’s what good writers do.”
